## MORE WORKSHOPS

I have been enjoying my small group workshops and plan to keep them going throughout the Fall season. These are groups of four attendees and my goal is to give each artist individualized attention in a group setting. I am also planning on having a few children workshops too! Please subscribe to [nicoleslater.com](http://nicoleslater.com) in order to hear of these offerings.

**“Art changes people and people change the world!”**

I want to thank you for supporting the arts, your passion to create and embracing yours or your child's passion for art. It is so important that I offer a space that is inviting, supportive and inspiring... If you believe you have something to offer please drop a message in my suggestion box. Also please tell others if you enjoy your experience at The Artist's Loft. I would love to hear from you!

## SECOND ANNUAL ARTIST'S LOFT ART SHOW!

I absolutely loved last year's event and it was such a pleasure to meet your friends and family and I also loved that I had friends and family attend to just support my artists too! We sold over 5 pieces and no one is obligated to sell...but I will give you the option because I believe it helps to instill and demonstrate what it is like to be a full time artist and make a living doing it! This show is for any of my students ages 4 to 94. If interested please let me know so I can get you on my list for show in November.
